FOR PLANNING PURPOSES

I-80 REHABILITATION PROJECT FROM VALLEJO TO VACAVILLE PUBLIC MEETINGS

WHAT: Public meetings to explain upcoming work on pavement repair, carpool lanes and median barrier projects on I-80. The existing pavement has deteriorated and recent growth in Solano County has significantly increased transportation demand on the highway. Caltrans public information, construction, and project management staff will explain the corridor work, specific projects, and impacts on commuters and residents during the construction. Residents will have an opportunity to view project displays and ask questions.
